

## DISTRICT 14-H NEWSLETTER

District Governor Pam Savitski

Dear Fellow Lions & Lioness,

My year is in its infancy. Words cannot express how fulfilling the past year has been, and I know this coming year will be as well. I would like to extend my gratitude to IPDG Barry for all the help and words of wisdom he has given to me in this past year. IPDG Barry made sure we visited every club. I'd like to express my appreciation for the hospitality each club has granted us. I felt it surprised even him with the generosity all the clubs have shown in helping with the Beacon Lodge sewer project. I have big shoes to fill, but with the help of my fellow Lions I'm sure to succeed.

The last cabinet meeting was held June 6<sup>th</sup> at the Jefferson Twp. Lions Club. It was a family fun day. The tornado wind and rain did not stop everyone from enjoying themselves. If you were able to attend, I presented a challenge to all Lions Clubs. A \$500 donation toward a Melvin Jones for the club that has the most **new** members join their club (excludes charter members) for the period July 1, 2010 thru Jun 15, 2011. Not a percentage increase but a total number increase. A \$250 donation toward a Melvin Jones for the club that has the largest cumulative attendance at **all** district cabinet meetings from July 1, 2010 thru June 15, 2011. Clubs present at cabinet meetings must announce their club's number of members in attendance at each meeting during roll call. **IS YOUR CLUB UP TO THE CHALLENGE?**

District 14-H took part in the fireman's parade on Memorial weekend in Jessup. There was a good turnout. Everyone seemed to enjoy themselves. We received a few phone calls and gave out applications for new members. So I think it was a success. I would like to thank Lion Gene Scagliotti for the signs he had made with our logo "Lions Roaming For New Members." Also, he supplied a convertible which PDG Barry and Barbara Taylor rode in. I would also like to thank Lion Jeff Rudalavage (a new member from Eynon-Archbald) for supplying the rollback truck for members to ride in. A thank you to Lion Pete Parchinski from School Colors who supplied the tee-shirts.

I would again like to thank my husband Ken for the wonderful hospitality night at the Hilton. Also, Barb Taylor, PDG Gayle Padfield, and Betty Savitski for baking goodies. Thank you to Pete & Doreen Dubik for all the snacks they provided. Most of all, I would like to thank all fellow Lions for buying the turkey raffle tickets that made the night possible. I appreciate all the help and support you have been giving me.

The first cabinet meeting of the new year will be held August 15th at the Ramada Inn in Clarks Summit. PDG Pat McClaren will install the new officers. All region and zone officers please be in attendance. Most importantly, a special election will be held to endorse PID Harold Ott for 2nd Vice President of Lions International. The State Administrator will send the credentials to all club secretaries. Please be sure to take these to a club meeting. We need as many delegates to attend and vote as we can. It will be a yes/no ballot per PID Harold Ott's request. The voting will take place between 12:00 PM and 2:00 PM. All fellow Lions of PA need to come out and show support for PID Harold Ott.

The charter night for District 14-H's new club, the Eynon-Archbald Club, will be held Thursday, August 12, 6:00 PM at the Montdale Country Club. Let us all come out and welcome our new Lions in to the family.

I am looking forward to this coming year and all the challenges before me.

Stepping forward in Lionism,  
Pam Savitski

Dear Fellow Lions,

I am glad to be a big part of Governor Pam's cabinet. It's a new year with lots to do. As DG Pam said, her, and OUR goal, is to get our district back in good standing with LCI.

You will hear from us over and over about membership. We need you to take a good hard look at your club to see where you can improve. We are always here to help you in any way we can. So, don't be afraid to get hold of me at [fatpiggy@echoes.net](mailto:fatpiggy@echoes.net) or by calling 689-9819.

Also, I'd like you to look around our district and see if there is room for another club near you. Maybe a family club could be started. There are plenty of qualified Lions willing to help.

I look forward to serving you,  
VDG Rich Padfield

Fellow Lions of District 14-H,

After all the hoopla of state conventions, now it is time to get busy with learning more our district. One of my favorite parts of being 2nd Vice District Governor is now I get to go to individual clubs and meet more Lions. In state and district meetings I have met many of the Lions who have taken on the responsibility of leadership. It is a challenge and without those Lions, we would not be able to function as a cohesive unit. I will now have the pleasure of spending time with the core members of each club. I am full of anticipation for this opportunity.

2nd Vice District Governor  
Lion Bill
